

GAINFUL EMPLOYMENT DISCLOSURE INFORMATION

On July 1, 2011, the US Department of Education began requiring colleges to disclose a variety of information for any financial aid eligible program that “prepares students for gainful employment in a recognized occupation.” The required information for these programs offered at Trinidad State Junior College is available on our website at <http://www.trinidadstate.edu/gainful-employment.html>.

The information provided at this website represents only one year’s data, but will be updated as more statistics become available in the future.

Trinidad State Junior College is committed to providing current and prospective students with the information they need to make informed education and career decisions. We hope this information is helpful to you. If you have any questions regarding the data provided and what it means to you as a student, please feel free to contact Kerry Gabrielson at kerry.gabrielson@trinidadstate.edu.

President's Welcome

My name is Felix Lopez, President of Trinidad State Junior College. I was once a student here at TSJC, and I can tell you from my own experience that with an education, anything is possible!

On behalf of all of the members of our friendly and dedicated faculty and staff, we welcome you to Trinidad State Junior College for our fall semester 2011. We will do everything we can to assist you as you pursue the training and education you need to realize your own unique dreams.

As the oldest two-year college in Colorado, we have an 86-year proven record of dedication and success in helping students achieve their educational goals, just as I did. However, we don't rest on past accomplishments! In the

current globally competitive economy, we are focused on providing our students with the very best career training and academic preparation possible, with state-of-the-art classrooms and equipment, and talented instructors who have a passion to teach and who care about their students.

Trinidad State Junior College offers training for a wide variety of career and technical programs as well as academic arts & sciences associate degree programs to

choose from. We offer certificate and degree options for career/tech programs and guaranteed transfer classes for students earning an AA or AS degree who plan to transfer to a 4-year Colorado public college or university. I encourage you to go to our website at www.trinidadstate.edu where you will find our catalog and can browse through the information and programs that interest you.

We know that many people have family and career obligations that prevent them from attending traditional college classes. Online classes allow you to study when and where it is convenient for you! We encourage you to take a look in this schedule at the list of over two hundred CCCOnline classes we are offering this summer.

Our tuition is affordable, class sizes are small, and summer is a great time to take the first steps to achieve the bright and prosperous future you desire whether you are a recent high school graduate who is just starting out with big dreams and aspirations; or whether you are a non-traditional adult student who needs to re-train for a new career, or pursue more education and training to qualify for advancement in your current career. In fact, this is what we mean by our slogan, 'Trinidad State Junior College A Great Place to Start...or Start Over!'

We invite you to come in and visit us Monday-Friday from 8 a.m. – 5 p.m. at either our campus in Trinidad, (phone 719-846-5011/1-800-621-TSJC), or the Valley Campus in Alamosa, (phone 719-589-7000/1-800-411-8382). We are here to help you every step of the way.

Sincerely,
Felix Lopez
President

The State of Colorado historically subsidized higher education for in-state students by giving money directly to the colleges. In 2004, the Colorado Legislature enacted a new law establishing the College Opportunity Fund (COF). Under this new law, the State gives this money for the subsidy to students by sending it to the institution the student designates. This money, known as College Opportunity Fund stipends, will be applied to an in-state student's tuition if the student applies for and authorizes the use of the stipend. The college you are attending will receive the money and it will appear as a credit on your tuition bill. Currently the College Opportunity Fund (COF) stipend is estimated to be worth \$31.00 per credit hour.

***Other fees may apply.**

ESTIMATED TUITION CALCULATION
 Total estimated base in-state tuition \$158.25
 Minus estimated "College Opportunity Fund Stipend" \$62.00
 Student's estimated share of in-state tuition \$96.25

All Colorado resident students are eligible, but you must sign up to receive COF funds. Go to:

It's Easy to Enroll at Trinidad State

Step 1: Getting Started

After applying for admission to TSJC, attend New Student Orientation (Trinidad only) to learn more about enrollment, certificate, degree programs, and financial aid. To apply online, visit www.trinidadstate.edu, or call 719-846-5621 or 719-589-7000 on the Valley Campus to speak with an admission's specialist. To speak with an academic advisor, call 719-846-5557 or 719-846-5650 or 1-800-621-TSJC (8752) or in the Valley call 719-589-7000 or 1-800-411-8382.

Step 2: Assessment

Colorado Community Colleges are required by law to assess basic skills for all new students. Individuals must complete the ACCUPLACER Placement exam before registering for classes. ACCUPLACER tests are provided daily in the Woods Student Success Center, located on the main floor of the Library or for the Valley in the Learning Resource Center (LRC) on the second floor in Room 212. That number is 719-589-7088.

Students are exempt from ACCUPLACER testing if they meet one of the following criteria:

- Hold a degree from an accredited college or university
- Successful previous college credit in freshman English composition and college Algebra
- Acceptable SAT or ACT scores taken within the last two years
- Are enrolling in only one course for employment enhancement or personal enjoyment

Students MUST 1) have applied to TSJC, and 2) present a photo ID to take the ACCUPLACER test. The Valley student needs to have applied to TSJC and their S Number (Student Number) is required, but not a photo ID.

Students without required ACT or SAT scores must complete the ACCUPLACER assessment before registering for classes. Testing takes place daily in the Woods Student Success Center, in Library 207d; or in the Valley at the above LRC location. Visit www.trinidadstate.edu to find the daily testing schedule, or call 719-846-5477 for more information. In the Valley call 719-589-7088. Students MUST 1) have applied to TSJC, and 2) present a photo ID to take the ACCUPLACER test. See above for the Valley.

Step 3: Advising

You will meet with advising staff to help you select your course of study. Your area of study will determine which advisor will be permanently assigned to you. To insure that you stay on track, you will meet with your advisor each semester and again if you decide to change your course of study. To speak with advising staff, call 719-846-5557 or

DID YOU KNOW?...

It is **your responsibility** as a student to drop or withdraw from classes if you cease attendance. Please go to the Student Services Office to drop or withdraw from a class.

You may be responsible for the repayment of COF funds and tuition for dropped classes.

Contact your student advisor before dropping any classes, especially after the census date.

719-846-5650 or 1-800-621-TSJC (8752). In the Valley call 719-589-7000 or 1-800-411-8382.

Step 4: Registration

On-campus registration may be accomplished in the Student Services Office. To register for a class that has already begun, you must submit a schedule adjustment form with an instructor's signature to the Student Services Office. Questions? Call 719-846-5621; in the Valley call 719-589-7000. To register by telephone in Trinidad call 1-800-621-8752, in the Valley, 1-800-589-7000. For a student ID go to the Student Services office, Berg 201 in Trinidad; Room 221 in the Valley.

Step 5: We're Affordable!

Loans and scholarships are available! Please check with the Financial Aid Office to see if you qualify. We will help you apply. You will receive assistance completing the Free Application for Federal Student Aid

Insurance Coverage Notice

Trinidad State Junior College students **are not covered** by the college with any health or accident insurance policy.

Students are expected to arrange for their own insurance coverage.

Students may complete an incident report by contacting the Affirmative Action Officer at 846-5534

(FAFSA) form, which is the first step in the qualification process. To obtain the FAFSA application, please call the Financial Aid Office at 719-846-5553 or in the Valley call 719-589-7024 or go online to :www.FAFSA.ed.gov.

Step 6: Business Office

Report to the business office to satisfy financial obligations.

Step 7: Books & Supplies

Books and supplies are available at the Trinidad Campus Bookstore located in the Sullivan Student Center or by calling 719-846-5610 or in the Valley at the Valley Campus Bookstore located in the Student Center at 719-589-7029.

Step 8: Services for Success

TSJC is proud to provide academic support to every student who needs it. These services are located in various areas in the Freudenthal Library or in the Valley in the Learning Resource Center (LRC). FREE one-on-one tutoring and guided study groups are available in the Learning Center, Library 300. Services provided by the Writing Center and Math Lab can also be obtained on the third floor. Visit the Woods Student Success Center in Library 207 to get help with transfer advising, personal referral and support services, and testing services. In the Valley visit the LRC, Room 212 or call 719-589-7058 for testing or tutoring needs.

Trinidad resources include:

- Learning Center – Lori Holdread, Coordinator: 719-846-5664
- Student Success Center – Jean Sumner, Coordinator: 719-846-5477
- Writing Center – Harriet Vaugeois, Coordinator: 719-846-5467
- Math Mastery Lab – Leslee Watson-Flores, Coordinator: 719-846-5515

Semester Calendar

Please pay special attention to the dates that classes begin and end. Note that leaving early or returning late during vacation periods may result in your grades being lowered.

Application for Admission

Fall Dates

REGISTRATION STARTS

APRIL 1, 2011

August 19th	Registration, Advising and Testing
August 22nd	Classes Begin
Nov. 21th - 25th	Thanksgiving Holiday
Dec. 12th - 13th	Final Exams

Census and Withdrawal Dates

Census Date: September 7th 2011
Withdrawal Date: November 21th 2011

Full-time students who have not previously attended Trinidad State Junior College are required to complete an Application for Admission.

Immunization Requirements

Colorado Law requires that all full-time students born after January 1, 1957, show proof of immunization against measles, mumps, and rubella. Students residing in student housing are required to show proof of immunization against meningococcal disease or the student or parent/guardian must sign a waiver. Proof of immunization is required at the time of registration. Certification forms are available at the Student Services Office. In the Valley an arrangement with Adams State College allows TSJC students to reside in the dorms on that nearby campus.

Registration Materials

All Colorado resident students are eligible, but you must sign up to receive COF Funds. Go to: www.collegeincolorado.org

Registration materials are available in the Student Services Office. Registration forms should be completed with a ballpoint pen. Illegible, incomplete, or incorrect registration forms will be returned to the student to be corrected before being processed.

Advising and Testing

Students without sufficient ACT or SAT scores must complete the Accuplacer Assessment before registering. Appointments for entrance Accuplacer Assessment can be made in person at the Woods Student Success Center, in Library 300, or by calling 719-846-5477 or in the Valley at the LRC in Room 212 or call 719-589-7058. You will be assigned an advisor appropriate to your declared area of study. Meet with your advisor when selecting your course of study. Obtain the approval of your advisor for your schedule of courses. Students who have difficulty selecting an area of emphasis or who wish to change their course of study should visit an advisor.

Credit Hours

To be considered a full-time student, you must be enrolled in at least 12 credit hours. If you are a full-time vocational student, you may not take more than 28 credit hours without the approval of the dean.

Check Your Requirements

To earn a degree, students must satisfy all course and curriculum requirements for the curriculum under which they are registered and attain a cumulative grade point average of 2.0 or higher. Basic skills courses do not count toward a degree. Familiarize yourself with the provisions and regulations pertaining to your program. See your advisor when in doubt. TSJC will make every effort to assist you in meeting requirements for graduation. **Final responsibility, however, rests with you.**

Course Cancellations

The College reserves the right to cancel programs or courses, to change instructors, and to change times or locations of classes. The dean's office will have current, up-to-date information on scheduled classes.

Arranged Courses

The abbreviation "TBA" means that the time, days, or locations are scheduled on an individual basis between student and instructor. Students

are responsible for seeing the instructor to arrange their schedules.

Change of Grade

A change of grade or removal of an "I" (incomplete) is made by the course instructor. Approval must be obtained from the appropriate dean before the change can be recorded.

Dropping a Class

If you officially drop from all classes prior to census date (the last day to drop a class without penalty), a 100% refund of tuition will be made. There will be no refund if the student withdraws after the class census date. To be eligible for tuition refunds, students must officially drop the credit hours through the Student Services Office and apply for the refund by presenting the completed documents to the Business Office.

Transferability

Trinidad State Junior College has transfer agreements with Colorado's four-year colleges and universities. These agreements ensure that if you successfully complete requirements for graduation with an Associate of Arts or Associate of Science Degree, you have fulfilled general education requirements and you will be granted upper division status at the receiving institution.

Need help with the basics?

TSJC has tutors and classes to bring you up to college level work! Call **846-5011**.
On the Valley Campus Call **589-7067**

Tuition Payment Alternatives

Online: Students may pay for tuition and fees through the business office link under the student section on the TSJC home page.

Mail or in person: Mail in payments to TSJC Business Office, 600 Prospect St., Trinidad, CO 81082 or 1011 Main St., Alamosa, CO 81101

Telephone: Credit card payments are accepted by calling the Business Office in Trinidad at 719-846-5547. On the Valley Campus call 719-589-7027.

Third party sponsor: If tuition and fees are to be paid by a third party, provide a copy of the authorization to the Business Office at the time of registration.

Deferred payment plan: TSJC provides a deferred payment plan through NelNet Business Solutions. Go to www.trinidadstate.edu, designate a campus, select Business Office in the Quick Links and click on the e-cashier logo.

Withdrawing from a Class

It is the student's responsibility to drop or withdraw from classes if they stop attending. Please go to the Student Services Office to drop or withdraw from a class.

If you decide to withdraw from a class after the census date, but before the last 20% of the class, and have a passing grade, your grade will be recorded as "W." A "W" is not counted in computing grade point averages. If you withdraw during the last 20% of the class, you will be assigned a regular grade that does count in computing grade point averages. Requests for exception to this policy may be made to the appropriate dean.

If you withdraw from a class after census date, you will not receive a refund of your tuition for the class. Moreover, a record of your having enrolled in the class will be created. If you have a passing grade when you withdraw, your instructor will report a grade of "W," which will appear on your transcript, but will not affect your overall grade point average.

Tuition Classification

Colorado law requires that you be classified as in state or out-of-state for tuition purposes. Your tuition classification is based upon information you supply on your application for admission.

Students previously classified as out-of-state may have their classification changed through a Tuition Classification Petition process. Petitions and information concerning documentation may be obtained in the Student Services Office.

All Colorado resident students are eligible, but you must sign up to receive COF funds.

Go to: www.collegeincolorado.org

General Fees - 2011/2012

Registration Fee:	\$11.65*
Med/High cost courses:	\$6.15/hr (no max)
Campus Fee:	\$1.25/hr (no max)
Student Activity Fee:	\$3.22/hr (max \$38.64)
Student Center Bond Fee:	\$4.78/hr (\$57.36 max)

All full-time students (12 or more hours) will also be assessed the following full-time fees.

Student Union	\$35.48
Trojan Tribune	\$2.65
Athletics Fee	\$23.95

*A registration fee in the amount of \$11.65 will be assessed to all students. Not all fees are the same on the Valley campus.

Tuition and fees are subject to change depending on legislative and state board action. Therefore, TSJC reserves the right to change the amount of tuition and fees pursuant to such actions. Specific courses may have additional charges.

Student Health Insurance

Trinidad State Junior College offers several health insurance plans. TSJC does not require health insurance for non-athletes. However, all student athletes must show proof of a student health plan. The Valley Campus does not offer sports.

Veterans

The Veterans Counselor, located in the Financial Aid Office, must sign registration forms for students applying for VA benefits before their registration is complete. In the Valley see Financial Aid in the Student Services Office (Rm 160) or call 580-7024.

Selective Service Registration

In March, 1987, the Colorado legislature enacted a law that stipulates "no male person born after December 31, 1959, shall be eligible to enroll at any state-supported institution of higher education until such person has filed with such institution a statement of (selective service) registration compliance."

In order to comply with the provisions of this statute, all male students at Trinidad State Junior College born after December 31, 1959, must submit a compliance statement to the Office of Student Services. All new applicants may use a special form or answer the questions about selective service on their application for admission. Registration will not be complete for any male student born after December 31, 1959, until he has complied with the law.

Parking Regulations

There are restricted parking areas on campus. Signs or painted curbs indicate these:

- Yellow curbs—No Parking Areas
- Red curbs—Fire Safety Zone
- Handicapped Zones are marked in blue and reserved for persons who have handicapped stickers on or in their car.

Parking violators will be ticketed and habitual parking violators will have their cars towed away at the owner's expense.

Parking in the red fire zones is subject to immediate towing without a warning or ticket.

Student Rights

Under the provision of the Federal Family Educational Rights and Privacy Act of 1974 (commonly called the Buckley Amendment), students have a right to inspect and review their records. Requests for such inspection and review may be made to the Student Services Office.

Under the terms of the Act as amended, Trinidad State Junior College is required to publish the personal "Directory Information" on its students. This information will be released

without your consent unless you have asked that your prior consent be obtained. Directory information includes your name, address, telephone number, date of birth, major field of study, class level, dates of attendance, photographs, and degrees received.

If you do not want this information released, you must make a written request in the Student Services Office before the end of the first week of classes. Your request will remain in effect until you formally cancel it.

Affirmative Action & Non-Discrimination

Trinidad State Junior College does not unlawfully discriminate on the basis of race, color, religion, national origin, sex, age, or disability in its decisions concerning admission, access, treatment, or employment in its educational programs or activities.

You may contact the Affirmative Action Officer, Trinidad State Junior College Campus, 719-846-5534, or the Director of Affirmative Action for the Colorado Community College and Occupational Education System, 9101 East Lowry, Denver, Colorado 80230, call

303-620-4000; or the Office of Civil Rights, U.S. Department of Education, 1961 Stout Street, Denver, Colorado 80294.

Special Populations

Trinidad State Junior College is an equal opportunity institution committed to education for all, including members of special populations. The term "special populations" includes persons with disabilities, educationally and economically disadvantaged persons (including foster children), persons with limited English proficiency, persons eligible for programs designed to eliminate sex bias, and persons in correctional institutions.

According to the Americans with Disabilities Act (ADA), Trinidad State Junior College will provide accommodations for qualifying students with disabilities. To request an accommodation, contact the Special Populations Coordinator at 719-846-5456. The Special Populations Office is located in the Berg Building, Room 210. In the Valley the office is located in the Learning Resource Center in Room 209. Call 719-589-7035.

Anti-Discrimination Policy:

Trinidad State Junior College does not unlawfully discriminate on the basis of race, color, national origin, sex, age, or disability.

Inquiries may be referred to:

CCC Online Fall 2011 Class List

CCCOnline is not a college! We are part of the Colorado Community College System of 13 two-year colleges in the state - including Trinidad State Junior College. CCCOnline delivers online courses from those 13 colleges.

If you are already a student at TSJC, you can register for CCCOnline and your on-campus classes at the same time. CCCOnline classes have their own unique section number C11, C12, C21 or C22, so you can easily tell them apart from Trinidad State Junior College's online courses or those you take on campus.

If you want to take online classes, are a new student and have not yet applied to one of the 13 Colorado community colleges, visit www.cconline.org and explore the programs and courses we offer.

All students who take CCCOnline courses must select a home college that offers the degree or certificate they want to pursue.

Your home college:

- Keeps your Records
- Provides transcripts
- Processes your college application
- Provides career counseling
- Helps you transfer your credits
- Issues your degree or certificate
- Takes your tuition payment

Suicide Prevention, Intervention and Postvention

Suicide is a difficult and uncomfortable subject. We at TSJC recognize the importance of keeping an open dialogue within the college and the community. Suicide is one of the top causes of death in the country and state of Colorado. In any year, as many as 6% of the population have serious thoughts of suicide.

As a college student, you may have a role in preventing suicide. Although you may not be able to solve problems for yourself, a friend or classmate, you may be able to help the person find someone who can help.

The first step in doing so is recognizing the warning signs that someone may be at risk of suicide.

If you are thinking of hurting yourself, or if you are concerned that someone else may be suicidal, call the National Suicide Prevention Lifeline at 1-800-273-TALK (8255).

TSJC Cares!

The TSJC suicide prevention committee has addressed the issue at the three levels of suicide prevention, intervention and postvention. Our goals are to create a prevention network, develop a social marketing campaign providing information for students, and to provide training for students, faculty, staff, and the community.

TSJC offers Safe Talk and Applied Suicide Intervention Skills Training (ASIST) workshops. These workshops are offered around the U.S. and internationally to train individuals in recognizing persons at risk and the steps needed to follow through to save lives. For list of resources or more information about upcoming ASIST workshops call Dr. Sue Nesbitt at 846-5510.

Find yourself and find your place at TSJC!

Whether you are a new high school graduate, or an adult non-traditional student who wants to update skills or change careers, Trinidad State Junior College is a great place to start...or start over!

Some lucky people know exactly what they want to do with their lives and how to get there, but while many others know that they want and need to go to college for education and training, they don't have a clear idea of what direction to take.

With so many programs and classes to choose from, choosing the program or course of study that is right for you can sometimes be a daunting and confusing task.

Don't be discouraged. Deciding what you want to do with your life is a big decision, but you will discover your purpose in time.

Here are some tips...

Ask yourself what is your passion. You can't go wrong if you follow your heart and choose something you love to do, you will have a long-lasting and rewarding career.

Ask your adviser for help. They have the experience and tools to help you identify your strengths and weaknesses.

You don't have to choose right away. You can take a variety of intro courses and electives to broaden your horizons and weed-out some career choices before choosing the direction you want to take.

Define your priorities. What is really important to you in life? Is it having time to be with your family, being creative, having job security, helping mankind?

Consider which programs have the best job prospects for immediate and future employment. There are many online resources such as the Occupational Outlook Handbook, 2010-11 edition, published by the United States Department of Labor, Bureau of Labor Statistics.

Factor in jobs that pay the most money. Science, Engineering, Technology and Math (STEM) tend to rank at the top as far as salaries.

Many career and technical certificates and degrees will qualify you for the new "gold collar jobs."

Consider doing volunteer work or internships in areas of interest.

Consult your parents and family, your teachers, and don't be afraid to call a person who is already employed in the career you are interested in. Get a variety of perspectives, but in the end, you must make a decision that is your choice. Don't let anyone discourage you from your dreams.

Trinidad State Junior College offers small classes, individualized attention, free tutoring, and we are here to help you. Come see us today, visit our website at www.trinidadstate.edu, or call 719-846-5011 or 1-800-621-TSJC for more information.

With an education, anything is possible.
