

Trinidad - Two Locations - One Great College - Alamosa

Welcome to College Central Network – TSJC’s home for job, internship, and volunteer postings!

College Central Network is TSJC's exclusive online system to help you

- Find part-time, full-time, work-study, internship, or volunteer opportunities
- Apply directly to employers for open positions
- A great resource for networking, building and managing résumés, creating cover letters, and interview tips
- Safely store and manage your résumés, cover letters, portfolio items, and letters of recommendation
- Search for employers in your career or academic major field
- Access additional job search resources, résumé and cover letter examples, and much more!

STUDENT log-in

- Access to College Central Network is now conveniently through your GO2TSJC account! Once logged into GO2TSJC, click on the “Campus Life” tab and scroll to Employment. Click on the College Central Network icon and you’re there.

Other job and internship posting opportunities

There are additional job postings below where TSJC students can find part-time and full-time career opportunities. Keep in mind that some of these sites are "national" sites and may not meet the geographical location of your search. [Please log into College Central Network](#) and click on "Search for Jobs in CCN's Jobs Central".

For specific ways to target your career search beyond just looking at job posting sites, please view the [Career Search Strategies](#) page!
